

**Solid State Energy Conversion Alliance (SECA) Workshop
Holiday Inn, Inner Harbor, Baltimore, MD
June 1-2, 2000**

REDUCED RATES FOR HALF-DAY PARTICIPATION

We recognize that many participants may not have an interest in the technical breakout sessions and may only want to attend the plenary session on the first day. Accordingly, we are offering a reduced fee of \$60 for half-day registration, including lunch. If this meets your needs, then please indicate below and submit this form with your original registration or FAX as indicated.

____ HALF-DAY PARTICIPATION WITH LUNCH

BREAKOUT SESSION PREFERENCES OR SOLID OXIDE FUEL CELL OVERVIEW

If you plan to attend the full workshop and participate in the facilitated breakout sessions, then please indicate your first, second, and third choices below. Include these breakout selections with your original registration or FAX as indicated. You will receive another mailing two weeks prior to the workshop detailing purposes, expectations, and products for the breakout sessions.

(Indicate 1st, 2nd, & 3rd)

____ Power Electronics
____ Modeling and Simulation
____ Thermal Systems

____ Materials and Manufacturing
____ Fuel Processing
____ Controls and Diagnostics

If there is adequate demand, we will offer a two-hour solid oxide fuel cell overview (presented by the National Fuel Cell Research Center) the afternoon of the first day in parallel with the breakout sessions. Please indicate if you would prefer attending the overview session rather than the breakout sessions.

____ Solid Oxide Fuel Cell Overview

Please Note: The Registration Deadline Has Been Changed To May 15, 2000.
